IL FEDELISSIMO

UNIVERSAL CLEANER FOR ALL SURFACES

DATA SHEET

TECHNICAL DATA

State: gel (analysis method: visual)

Color: transparent orange (analysis method: visual)

Perfume: citrusy (analysis method: olfactory)

PH: $7,5 \pm 0,5$ (analysis method: instrumental)

Density (kg/dm³): $1,01 \pm 0,05$ (analysis method: weighing)

FEATURES

Concentrated product with typical gel structure. Thanks to its neutral pH, it is absolutely not aggressive on surfaces. The special active ingredients, give it a sanitizing effect.

APPLICATION

Universal cleaner for all surfaces (floors, tiles, fixtures, sinks, etc.), for manual use and washer dryer. Its degreasing and emulsifying power, make it functional in a large variety of uses: for the home, communities, offices, industries. Il Fedelissimo is effective in the removal of mineral oil: very suitable for floors and garage equipment, workshops, distributors, engineering companies.

CAPACITY

- Universal cleaner for all surfaces
- Particularly effective in the removal of mineral oils and fats
- Neutral pH Gel Not Corrosive
- For professional use / home
- Strong emulsifying power for dirt
